Amy Childs' hot 2012 Calendar!

Nuts gets an exclusive first look – and its loveliness burns our eyes!

IT'S ODD to think that if you'd said to someone

a couple of years ago, "I've the new Amy Childs calendar!" they'd probably have said, "Who's she?"

Two years on, she's at the top of the modelling game so her 2012 wall-hanging is a big deal.

And guess what? *Nuts* has an exclusive first look at some of the highlights! And guess what again? They're awesome!

If the world really is going to end next year, like they say it will, we're going out in style!

EXCLUSIVE!

Top Gear invades India!

Because some blokes will do anything to get the perfect chicken biryani!

TOP GEAR?

Imminent Christmas special?

Trip to India for more ludicrous racing challenges? By crikey, we're sold!

Nuts has swagged these exclusive snaps of the Top Gear team zooming through Mumbai in a selection of classic British motors, including a Jaguar XJ6 and a Rolls-Royce.

Why? It's where they've been filming this year's **Top Gear Christmas Special!**

As you can see from these only-in-Nuts shots, Clarkson bagged himself the Jag to drive, and seemed to be making a splash with the locals, while the other two were lagging far behind. But we're sure some very foolish driving will ensue and it looks like Jezza had some roadside repairs to sort out, too. We'd better wish them all a merry Christmas now, in case they don't make it back in time!

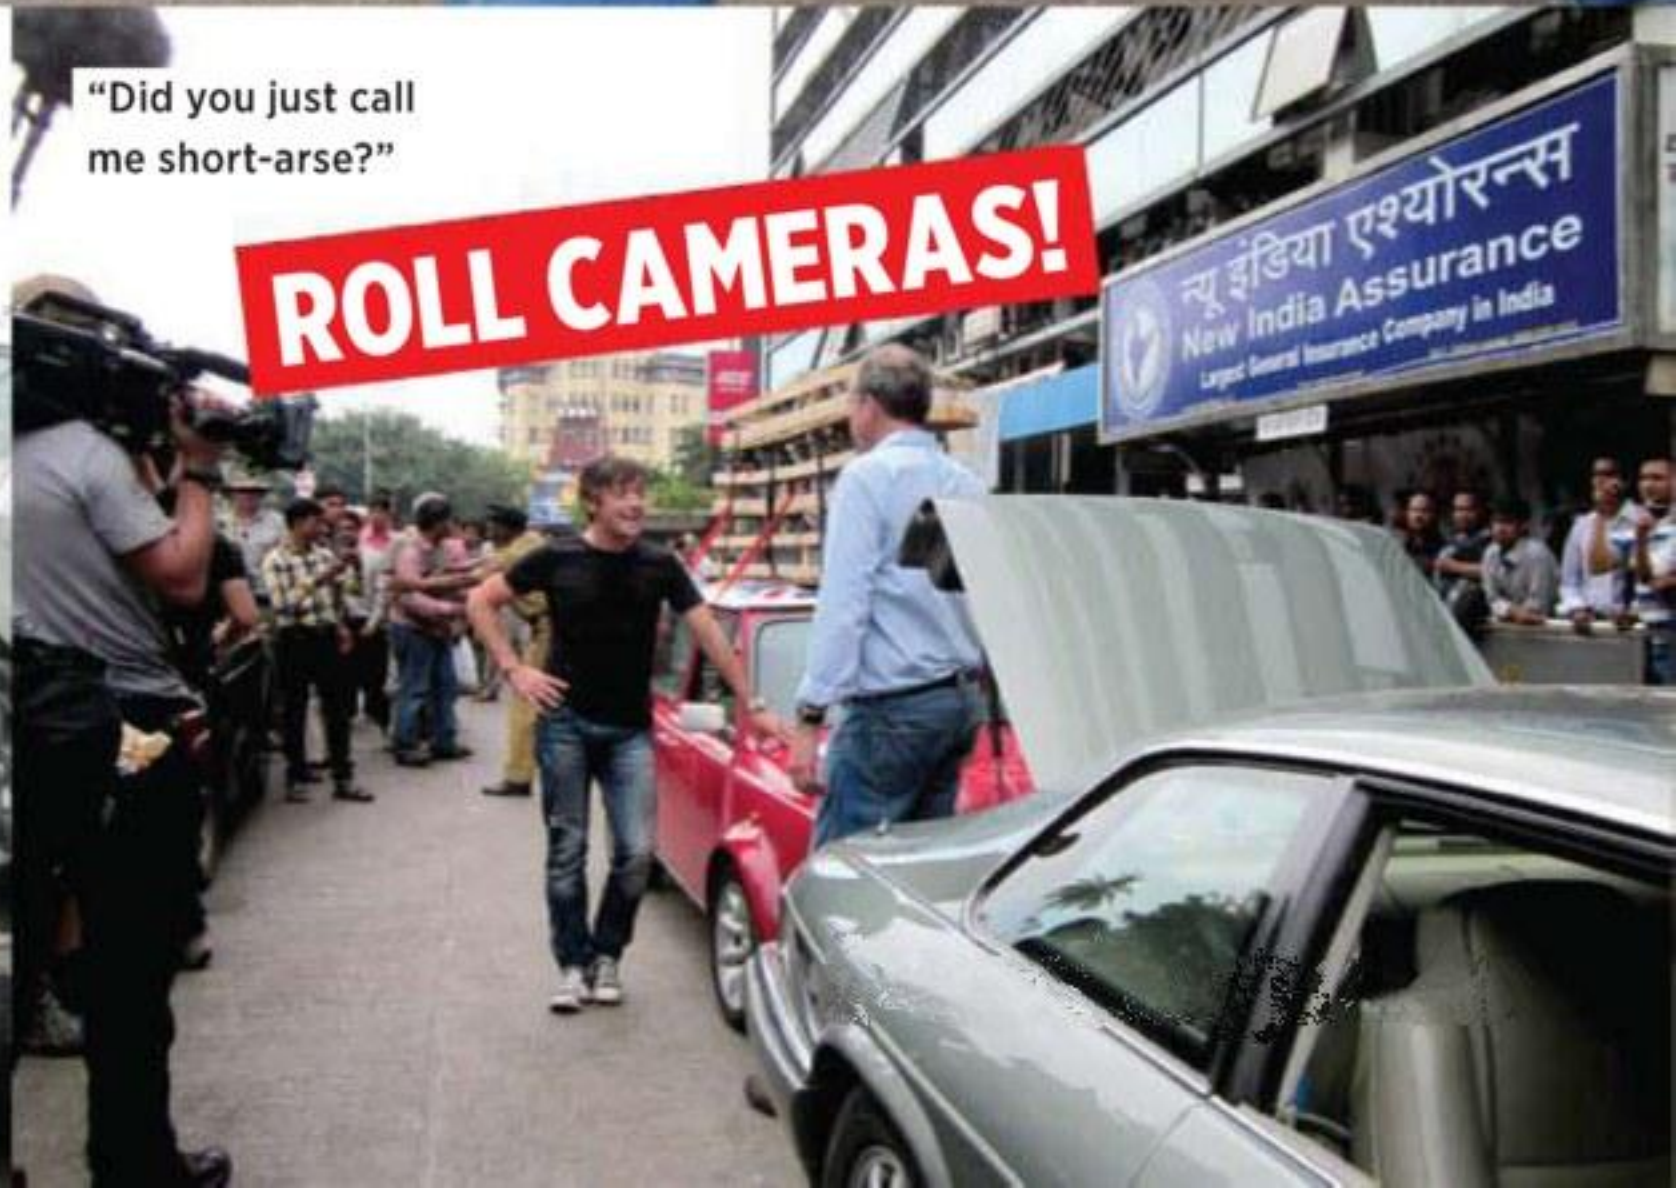

It was unusually busy in Market Harborough

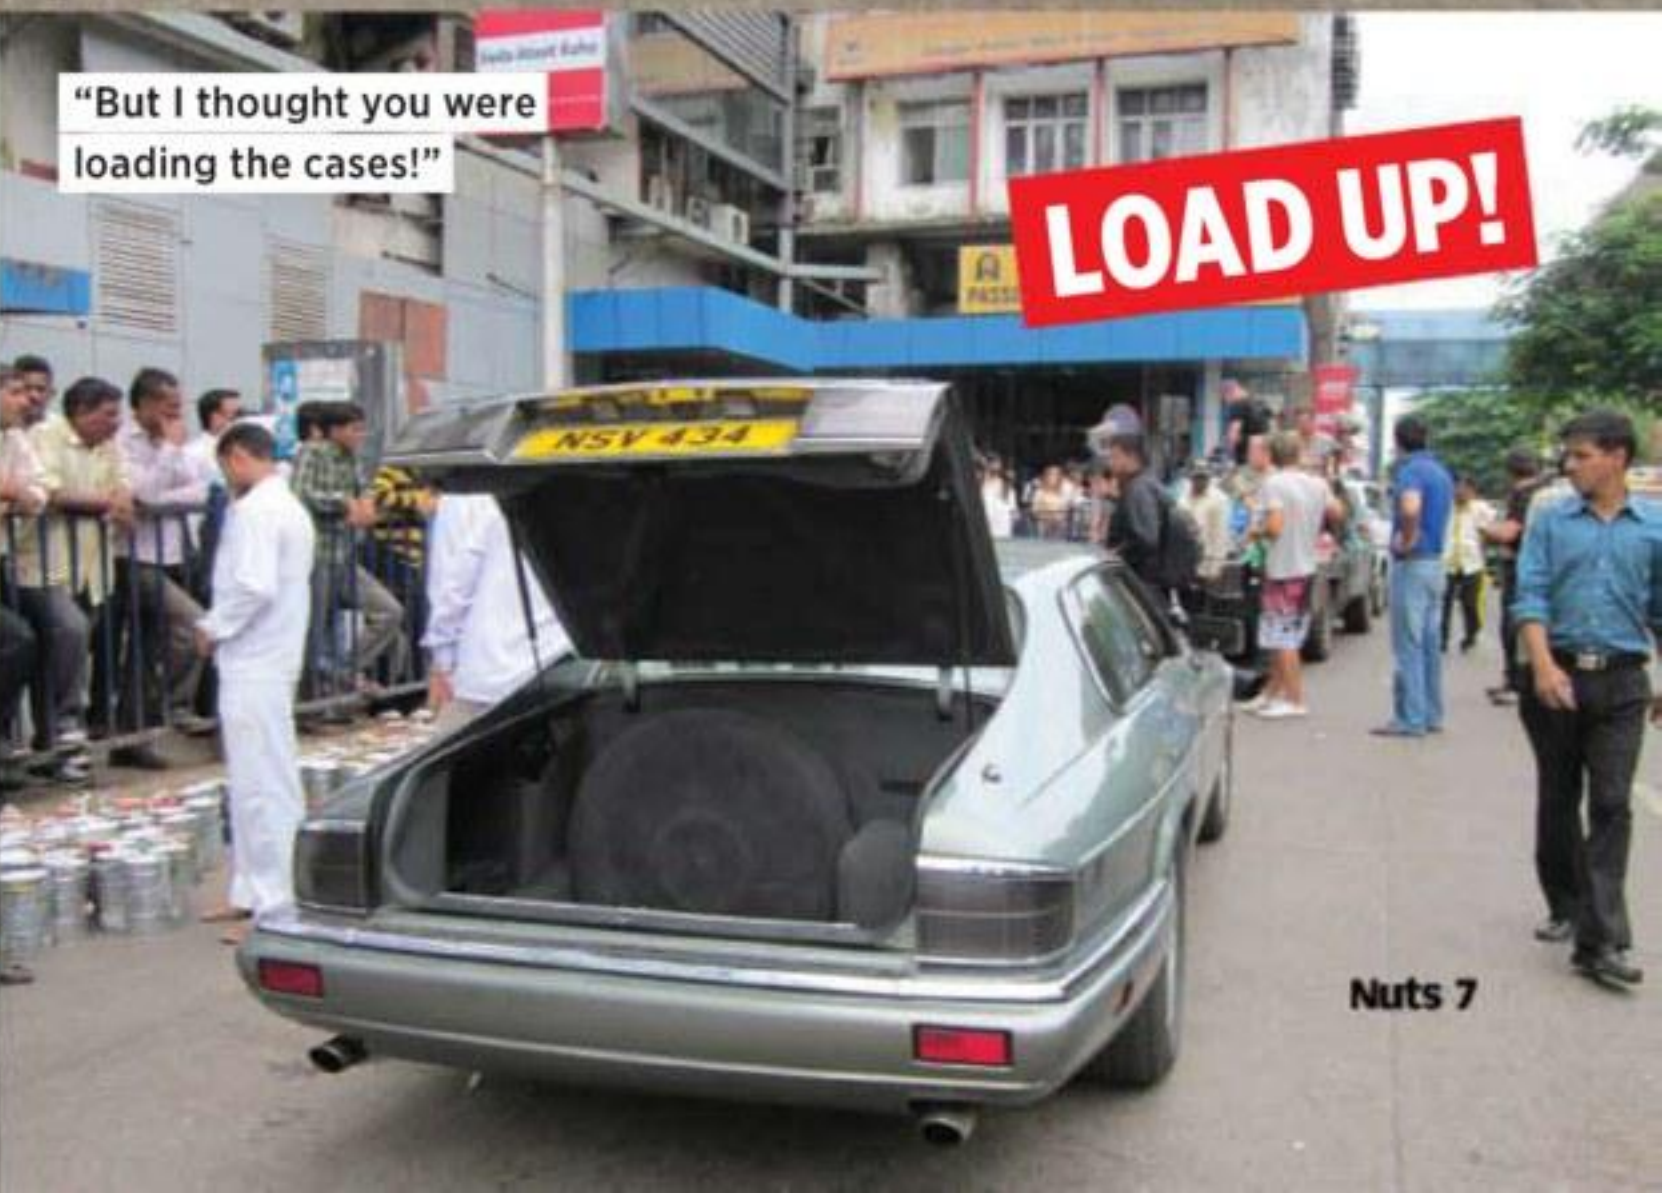

CLASSIC CAR!

"Did you just call me short-arse?"

ROLL CAMERAS!

Nuts teaches English rugby to behave!

The naughty England team get a few lessons in how to have fun sensibly!

→ **ENGLAND'S RUGBY** team have been behaving like a right bunch of bounders these last few weeks, what with all their drinking and partying and womanising and dwarf-tossing. While this had been going on, you wouldn't think there was a World Cup taking place!

But we at Nuts understand that it can sometimes be hard to keep yourself entertained during your down time, so we thought we'd enlist the help of a traditional English Lovely Old Lady™ and suggest a few more sedate, gentlemanly pastimes they might try...

AFTERNOON TEA

You'd be one scrum-half short of a full pack to want to hurl little people over a scone!

ENGLAND STARS ON THE LASH!

England winger Chris Ashton and co were caught boozing with dwarfs!

DOMINOES

A classic pursuit, but it's traditionally played in pubs, which is where the trouble starts!

BOWLS

As English as Yorkshire pudding, but our gents seemed confused as to how to throw them!

TIME FOR TEA!

Dot's verdict:

Dot, 79, says: "Such polite men! They seemed to enjoy themselves very much and afternoon tea was delightful. I'd have no problem letting them squire one of my granddaughters to a local dance."

GETTING PAMPERED

Having a scalp massage from a nice young lady's relaxing. Shame our lads got a stubbly bloke!

FEEDING THE DUCKS

A popular activity because it involved throwing, which is a speciality for the boys!

Two-faced cat!

Nine out of ten cats prefer one face!

TRY TO resist the temptation to scream, because what you're seeing here is little short of a miracle.

Normally, cats that suffer from the rare genetic defect known as the Janus condition die within their first few days but Frank and Louie (or "Frankenlouie", as some unkind folk have dubbed him) has lived to be 12 years old. This is despite – and you may have noticed this – the "pair" sharing the same body but having three eyes, two noses and two mouths on one head.

We think of Frankenlouie as having "twice as many chins to tickle under, and twice as many mouths through which to miaow cutely". We always look for the positives here at Nuts.

Janus cat facts!

Jaw-dropping true stuff!

The Janus condition is named after the Roman god Janus, who had two faces. Complications include cleft palate, which makes it almost impossible for infant cats to take in milk. Frankenlouie was lucky as he uses only one mouth to eat, reducing his risk of choking.

TOP SPEED 190MPH!

"Darling, hope
you don't mind -
I've traded in the Yugo"

0-62MPH IN 5 SECS!

Ferrari 340 Competizione!

Proof there was some good stuff in the '50s!

- If you were presuming this is all about a '50s Ferrari, then you, like us, were understandably fooled. Yes, this is a Ferrari, but one that's not even 20!
- A company called Gullwing-America has transformed a '90s Ferrari 456 GT (worth £35,000 second hand) and rebodied it to imitate a Ferrari race car from 1952.
- In 1952, Ferrari built three 340 Mexicos to compete in the Carrera Panamericana race. One recently sold at auction for £2.8m. That seems expensive, but this was a car that could top 174mph nearly 60 years ago!
- The 340's staggering performance was thanks to its 4.1-litre V12 engine that chucked out 280bhp. As this Competizione has the skeleton of a 456 GT, that means it too carries a V12, but a 5.5-litre with 436bhp.
- Using the 456 Ferrari's tubular steel chassis, it has its bodyshell replaced with an interpretation, fabricated by hand from aluminium. This brings the weight down way below the original 456's slightly hefty 1,690kg.
- Aerodynamic upgrades include the front splitter, side vents and rear diffuser. This, not to mention upgraded suspension and brakes, helps keep the old-school 340 Competizione planted on the tarmac, as opposed to in a hedge.
- The cockpit pays homage to its '50s racing idol, using new and old tech. While the bucket seats are classic-style low-back (no headrests), they're made from carbon fibre.
- A polished gear shift gate leaves no doubt of its pure Ferrari DNA, albeit using an elderly wood-rim steering wheel and old-fashioned gauges. Hats off to Gullwing-America – this is right on so many levels.
- As this is the only one, it'll take big money to get Gullwing-America to build another. How big's hard to say – more than £35k and less than £2m.

Retro 340... the stats

- **Engine:** 5.5-litre (5,474cc) 48-valve, front-mounted, twin overhead cam V12 injection.
- **Gearbox:** Six-speed manual, rear-wheel drive.
- **Power:** 436bhp at 6,250rpm (est).
- **Torque:** 406lb-ft at 4,500rpm (est).
- **Top speed:** 190mph (est).
- **Weight:** 1,490kg (dry).
- **0-62mph:** 5.0 secs (est).

iPhone 4S vs Samsung Galaxy S2!

It's a super-spectacular smartphone smackdown!

➔ **LAST WEEK** saw Apple launch its new iPhone 4S, on sale from Friday. But which will emerge victorious from the battle between that and the pretender to its crown, the Samsung Galaxy S2? There's only one way to find out: Fight! Fight! Fight!

The phone

iPhone 4S: Forget the iPhone 4's rosey antenna, the 4S packs two for double power – making the signal stronger and downloads twice as fast! Also, it looks just like the iPhone 4 – no bad thing!

Galaxy S2: Lighter than the iPhone by 23g, although the casing feels flimsy. Speed means you can find and order a pizza in lightning time, but charging to full can take up to four hours. Zzzzz!

THE WINNER: iPhone 4S!

The screen

iPhone 4S: Comes with a 3.5in display, which Apple claims packs more pixels than the human eye can actually process. Sciencetifical!

Galaxy S2: 4.3in screen with exceptional colour capabilities – even HD movies – which is a joy for the peepers.

THE WINNER: Galaxy S2!

The gadgets

iPhone 4S: Boasts Siri, your voice-activated personal butler, who can tell you the weather or dial your mates on command. iCloud also means your pics, vids and uploads can be synched to your home computer without any hassle.

Galaxy S2: Has voice recognition – you can “read” a message to your mates and deliver it by just yelping, “Send!” as well as organising music, apps and pics. The reader hub also offers 2,500 mags for you to read!

THE WINNER: iPhone 4S – just!

The camera

iPhone 4S: Eight-megapixel sensor, which grabs 73 per cent more light and gives 30 per cent clearer pictures. Also takes follow-up snaps faster, meaning you can get every frame of your mate falling down the stairs.

Galaxy S2: Eight megapixels and shoots HD video with easy shutter and exciting results – great colour and sound.

THE WINNER: iPhone 4S!

The price

iPhone 4S: It's £500 to buy, though it'll be discounted depending on contract, as usual.

Galaxy S2: The best we found is £29 per month with O2 for a two-year deal. Bargain!

THE WINNER: Galaxy S2!

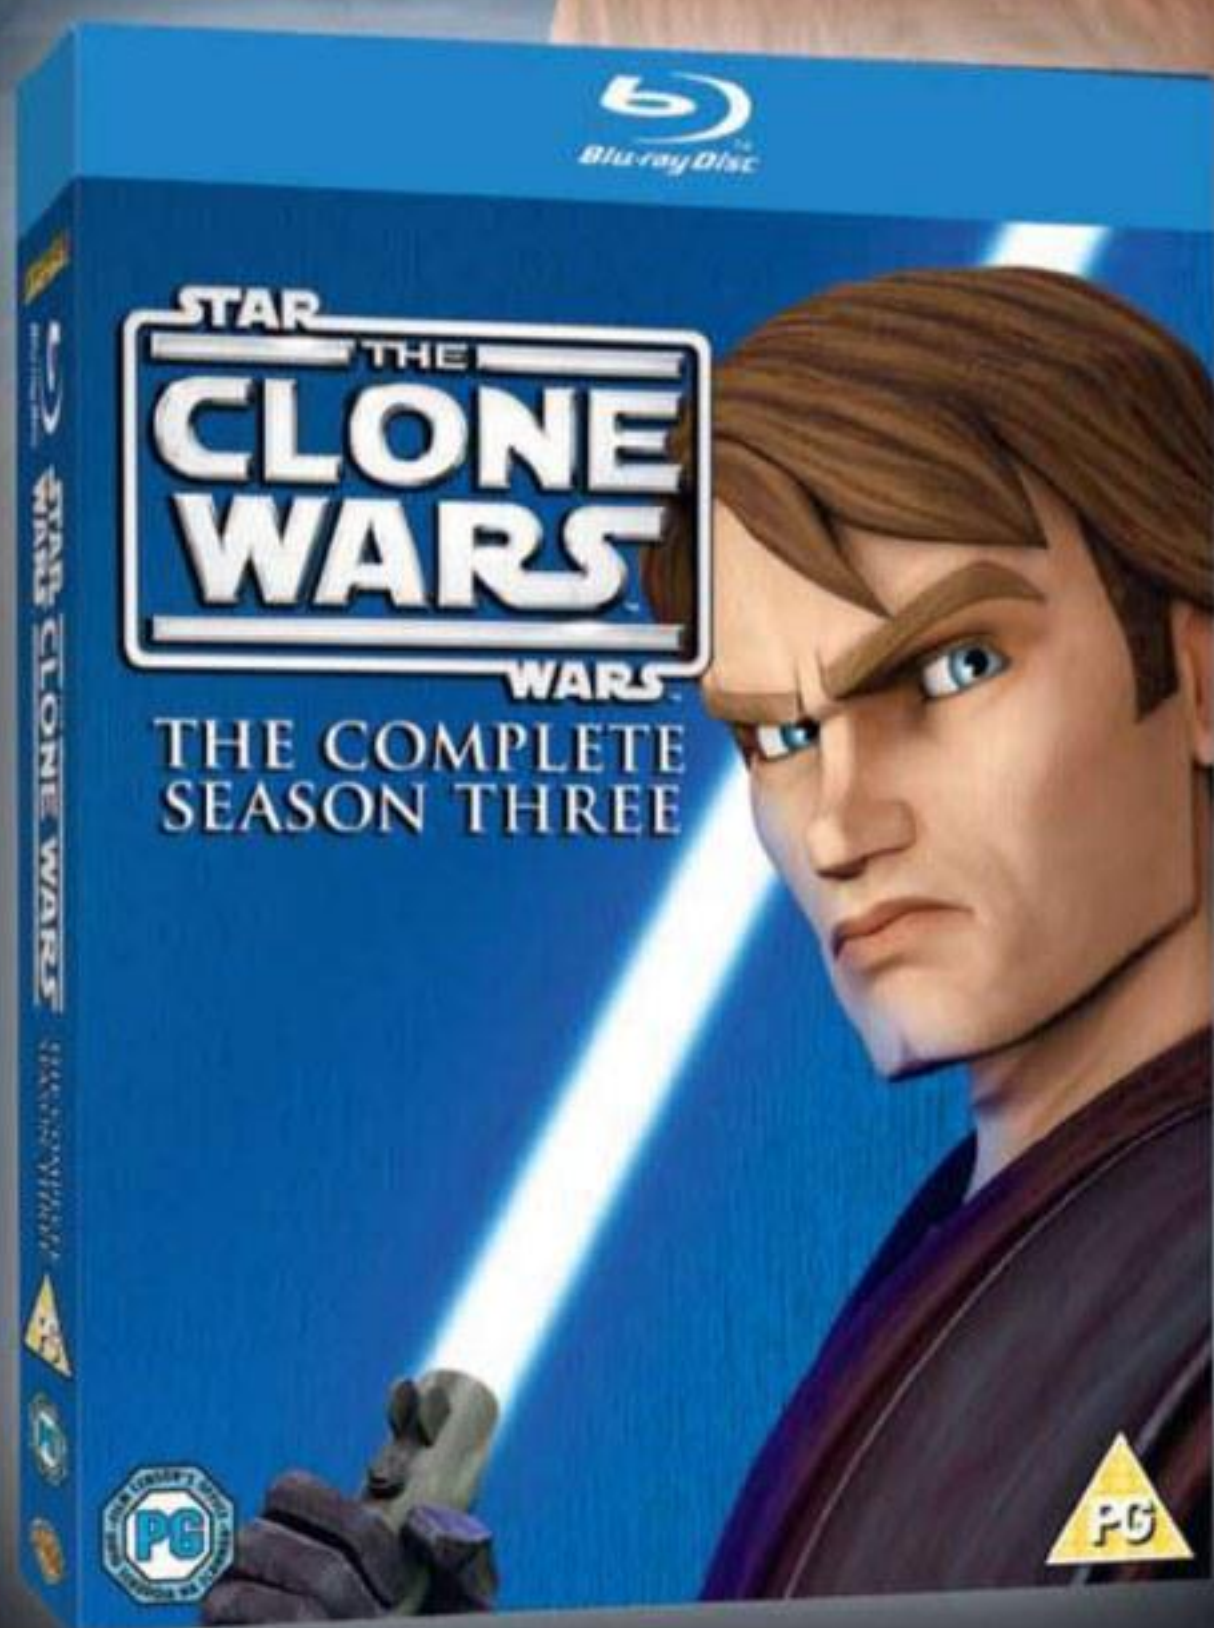

Overall verdict:

It's the very definition of a close-run thing, but the iPhone 4S edges it by a technological nose, although it should be noted that the Galaxy S2 is a demon, too. We think we'll probably avoid having to make a choice and just pocket one of each!*

'My calf muscle popped out of the wound!'

Rare syndrome scuppers stitches!

➔ **AS IF** slicing your leg open weren't bad enough, Dorset aerial engineer Danny Bachelor had to relive his wound woes after being diagnosed with a potentially life-threatening muscle-crushing syndrome.

"After falling off a ladder at work, I ended up cutting

my leg badly. It looked like a butcher's cut, so the doctor had to use stitches and put a cast on it," Danny tells *Nuts*.

"Weeks later, as I was having the cast removed, the muscle started to pop stitches out of my leg. My calf just popped out of the wound!"

Unknown to Danny, he'd developed a rare disorder

called compartment syndrome, which can affect injured limbs, creating a huge build-up of pressure in the muscles.

"If left untreated, it could have crushed all the muscles in my leg! I'll never forget the amount of blood loss, and the pain was horrific. I had to be injected with ketamine because the morphine wouldn't work," explains Danny.

It'll be another couple of weeks before Danny's back on his feet, but probably a lot longer before he risks climbing another ladder!

SEX ADVICE FROM A FIT LESBIAN!

Because she knows what she's doing and we don't!

DANNI ORSI,
100% REAL
LESBIAN!

You might recognise Danni from hit TV show *Candy Bar Girls* on Channel 5!

Should I call her bluff?

My wife keeps joking that she fancies getting it on with a girl just to see what it's like. When we go out clubbing, she's always dirty dancing with other girls and teasing me that she's going to bring one home. Should I call her bluff?

H via email

Go for it, but be prepared for what might happen! It sounds to me like she may be up for it. However, don't be surprised if she pulls back at the last minute. She may just be checking her pulling power!

I want a threesome!

I really want to have a threesome with my missus but I've never tried it before. I'm not sure if she'll go for it or not. What do you think?

MADDY via email

LETTER OF THE WEEK!

Her breath stinks!

I've started seeing someone and she's really fit but there's one big problem – her breath's absolutely foul! I've been able to overlook it so far because she's such an awesome girl but it's starting to cause a bit of hassle in our relationship. What do you suggest I do?

AARON Newcastle

Blimey, this is a real problem. You can't just carry on as if everything's OK when it's clearly not. What I suggest is plenty of mouthwash, mints, a bit of tongue scrubbing, teeth brushing and some regular trips to the dentist and, in the meantime, less talking!

Well, you don't say if the third person is to be male or female. If it's a female, you'll probably get a black eye from your girlfriend, but you could find a lesbian for her and claim that you want to give her a new experience. I'm available to

help out, by the way! Then you could try your luck. However, if you're thinking of getting another male involved, you need to tell her it's to enhance her pleasure. Oh, and make sure you choose a bloke who looks clean and has a big c*ck!

I can't get it on without porn!

I don't know why but I find it really hard to get off with a girl unless we put some porn on in the background. It's not that I don't find them attractive but for some reason, I just can't rise to the occasion without help. Does this make me a bit weird?

DANNY D Sheffield

Are you serious, Danny? This might be normal if you were an 80-year-old but definitely not if you're a young, healthy chap. I'd say your testosterone level is low if you need porn to get interested. You should see your GP – or find her a real man.

- If you've got something to ask Danni, just email her at thelesbian@nutsmagazine.co.uk or write to her at the usual *Nuts* address on p70.

**HE'S RUDE,
RANTY AND
RIOUS!**

Jim's an award-winning comic from Australia. He likes swearing, and being angry.

"Well done, Mrs Biggs!"

SO, WHAT'S new this week? Well, the wife of *American Pie* actor Jason Biggs decided to treat him by buying him a hooker for his birthday. She spent £400 getting a girl to have sex with him. May I just say a big bravo, Mrs Biggs! My girlfriend also got me a really great gift for my birthday – a barbecue, which perhaps isn't quite as impressive, but it can also be used for spit-roasting.

"We should fake the end of the world!"

AS YOU'LL know, lots of f**king idiots are predicting the world will end next year, so all over the world, companies are creating bunkers in preparation. And one of them's a porn company! F**kin'

"And I *still* can't
get the lid off
the marmalade!"

"What has Jodie done?"

WHAT HAS happened to Jodie Marsh? I thought she'd have OD'd by now, but she's gone all "healthy" and become a bodybuilder. Oh, and she's black now, too! She has so much fake tan that even women from Newcastle are saying she's gone too far! It's not a good look, is it? I have to admit, Jodie was always a bit of guilty pleasure of mine. She looked like the sort of girl you could bang in a toilet cubicle, and that's a quality I look for in a woman. But if I ended up in a toilet cubicle with Jodie now, I'd sh*t myself. She looks like a condom stuffed with walnuts!

awesome! They're called Pink Visual, and they've created a bunker with a fully stocked bar, pole-dancing area and enough room to house 1,000 porn stars. I don't believe the world's going to end, but surely it's got to be worth getting together and faking it if it means getting locked up with these girls!

"We're through?
Don't you need to
hear our audition?"

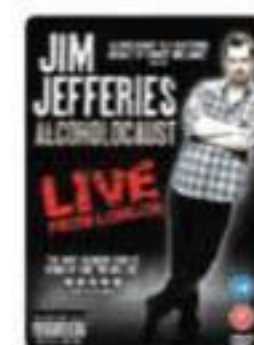

"Positive press for fake boobs!"

A WOMAN in Moscow has survived being stabbed in the chest by her husband because she had fake boobs – apparently, her breasts were just too firm and withstood the blade. At last, some positive press about fake breasts. So many times you read about the dangers of implants but this proves that they don't just save careers and marriages, they save lives, too!

"F**k the ozone layer!"

REMEMBER THE ozone layer? People got very stressed about it in the '80s and '90s but then everyone forgot about it. Turns out it's back and we have to worry about it again, because we're not doing enough to save it. You know what? F**k the environment. It's too high-maintenance. And we're not going to f**king die, are we? Our kids aren't going to f**king die, our grandkids might be a bit hot, but it's only our great-grandkids who'll die and what the f**k have they ever done for us? I'm going to be safe in the porn bunker anyway!

AN AGEING German man goes to his priest. "I have a sin to confess," he says, sobbing. "During the Second World War, I hid a refugee in my attic."

"Well," the priest replies, "that's not a sin!"

"But," the man admits, "I made him pay rent!"

"That wasn't very nice," the priest concedes, "But you put yourself at risk, so you mustn't worry."

"Oh, thank you, Father. Your confidence eases my conscience greatly!" the man says. "But I have one more question. Do you think I ought to tell him the war's over?"

Nuts NEXT TOP MODEL!

Introducing the hottest new models - in their first ever *Nuts* shoot!

ONLY IN
Nuts!

Anya

Meet the 20-year-old and her 32D charms!

Hi Anya! Welcome to *Nuts*. So, how did you enjoy your first shoot?

It was fantastic! It was loads of fun working with a team of sexy girls and there were some really naughty ideas and super-hot outfits. I'd say the shoot was a sexy success. I hope the readers like me!

Are your friends going to be surprised to see your pics?

Yes, I think people's jaws are going to hit the floor, as this is my first ever shoot for a men's magazine! But, hopefully, it'll be a pleasant surprise to them.

So, is this your first proper modelling job?

Yes. I've only been modelling for four months but I love it. I'm so glad to be gracing the pages of *Nuts*!

Who's your fave *Nuts* model?

That's a tricky question as they're all really hot and I haven't got to know any yet! I think Danica looks great as a blonde babe. I love the new natural look.

What do you go for in a bloke?

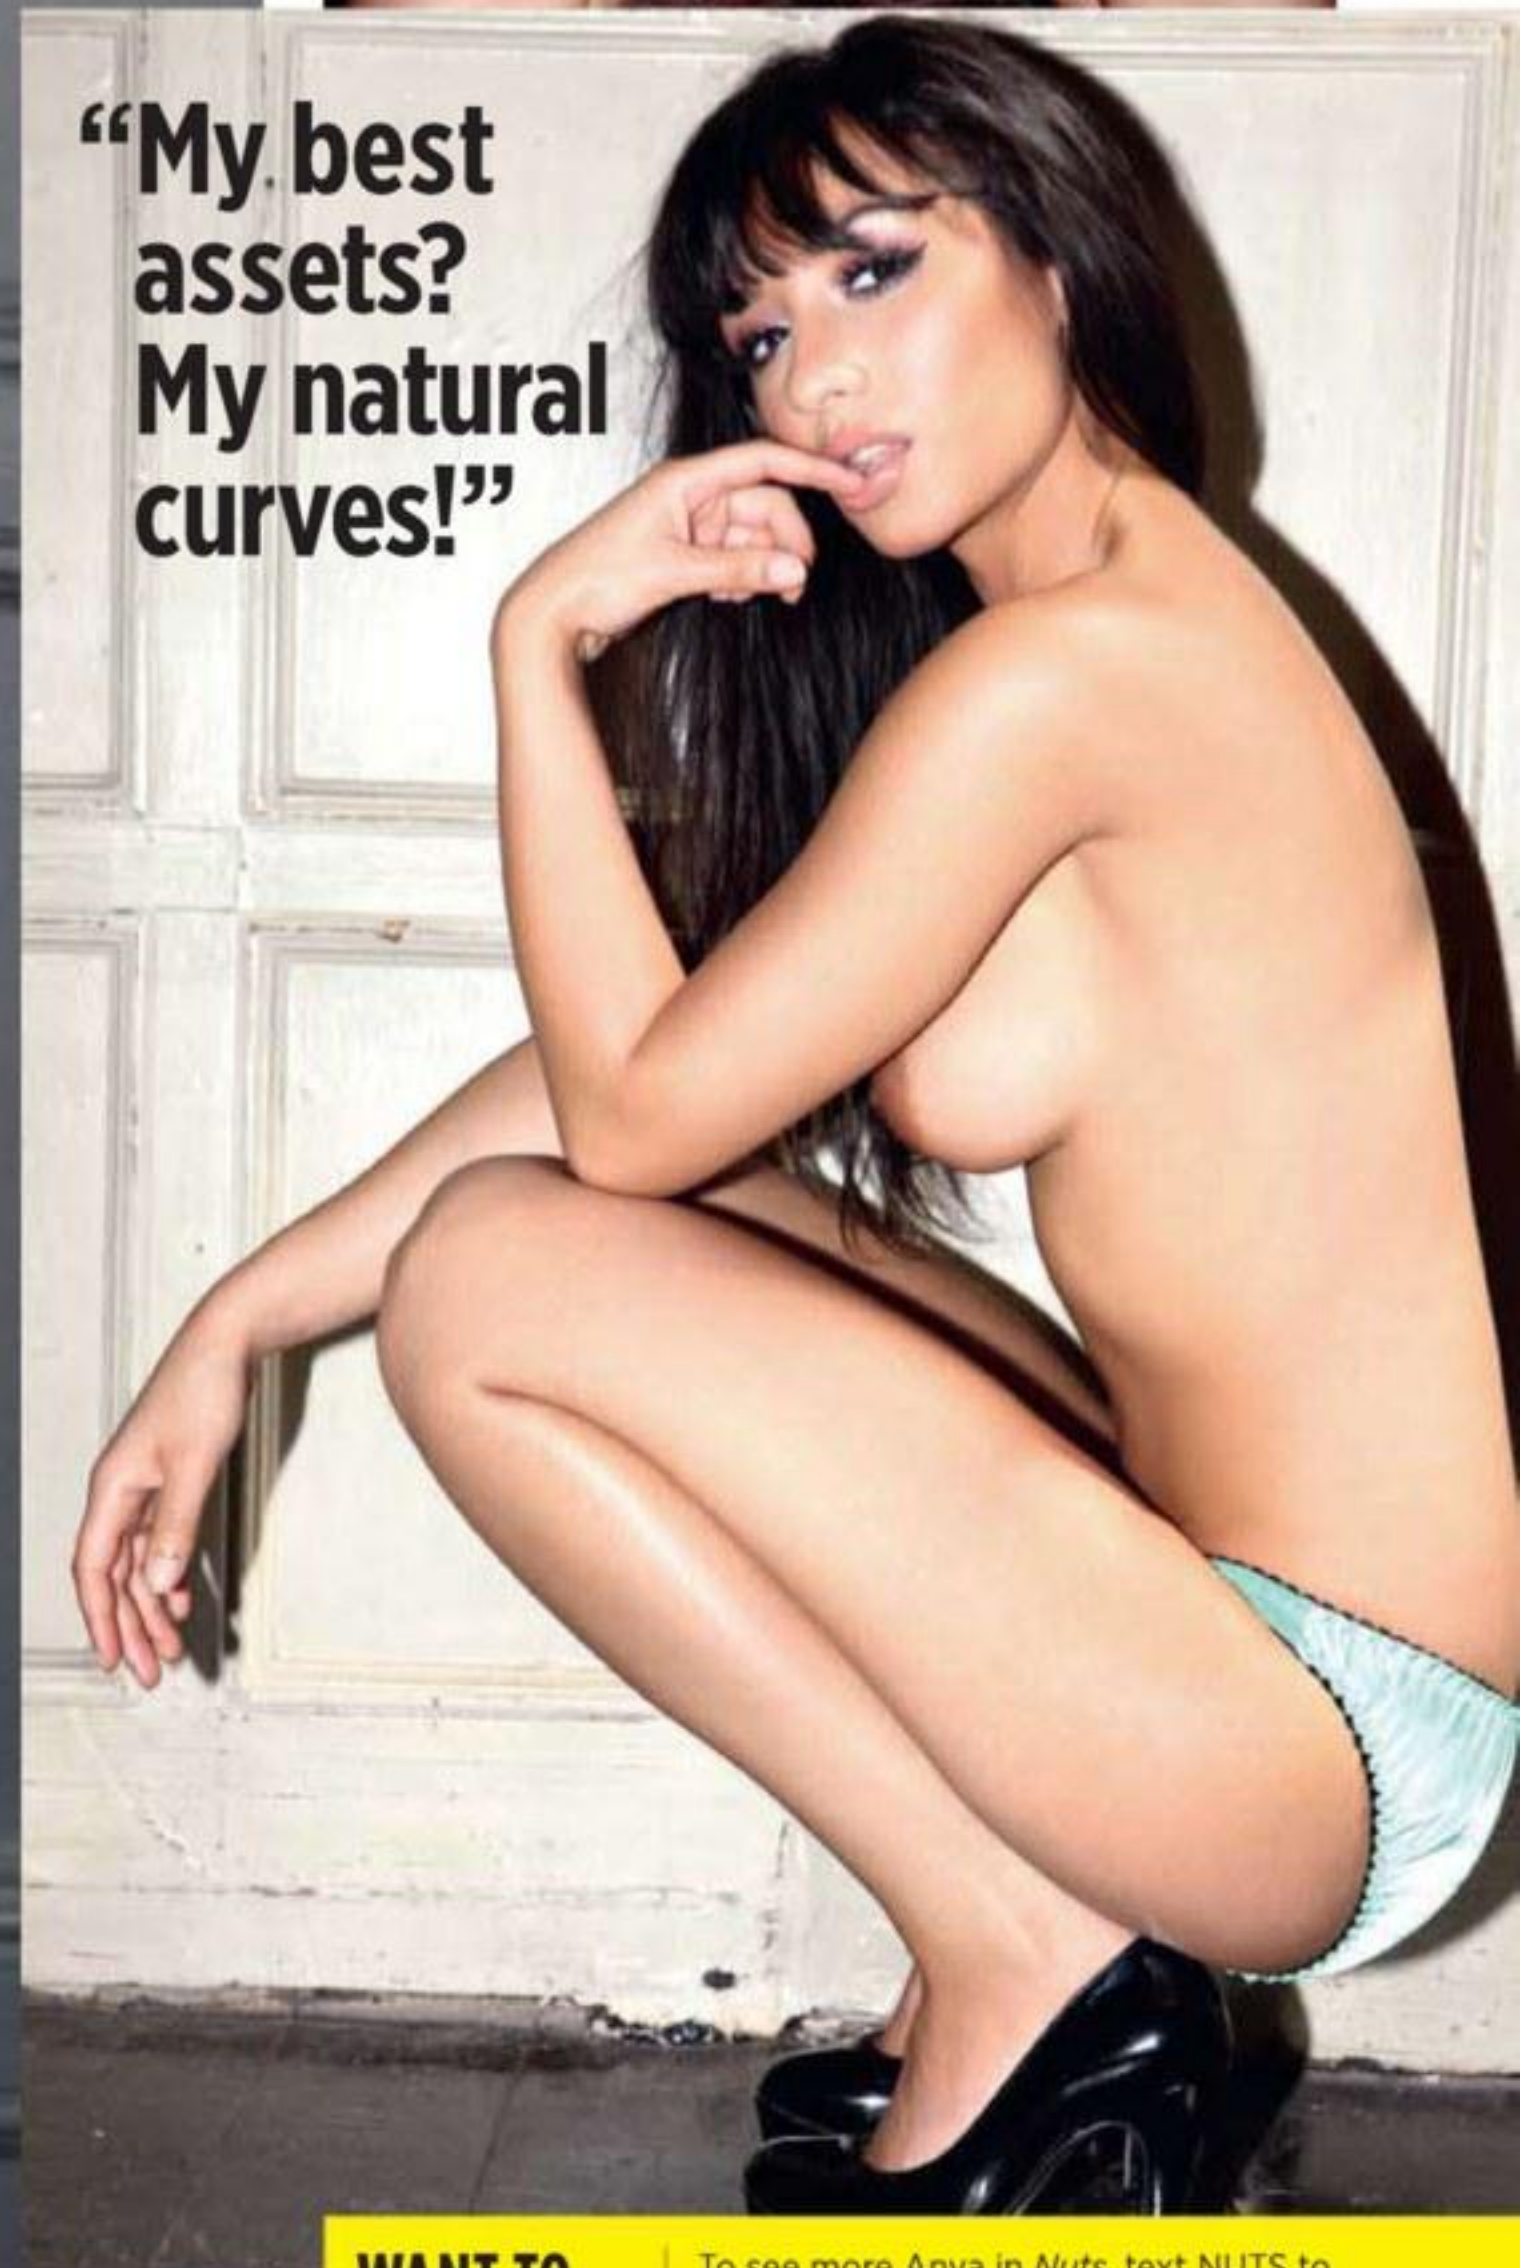

A great personality. He has to be sweet, confident, a true gentleman and know how to have fun, too. Plus, good looks are always a bonus!

What do you think are your best assets?

My petite figure and natural curves. I think I've got a bit of a distinctive look, too.

Finally, if you could do an ultimate fantasy shoot, what would it involve?

Lots of sunshine and sparkling, crystal-clear water on a secluded desert island. I'd love to be rolling around a beach in some tiny swimwear!

**"My best

My natural
curves!"**

Bill Bailey Vs the Nuts Question Bucket!

Sell:

The comedian on dancing goats, walking sharks and having a moose's body!

Copy:

THE RULES are simple. We fill our bucket full of ridiculous questions, then a celebrity picks them out at random and must answer whatever they get!

How would you react if we told you right now there's a wasp in your hair?

The important thing is don't panic. When I was a kid, I panicked and got stung on the lip – my mouth looked like a golf ball. Basically, you want to talk the wasp out of it. Opening a can of Fanta should do it!

Have you ever accidentally spat on a girl while trying to chat her up?

Yes, I have. I was on a date and this bit of spit landed on her nose, and

I became transfixed by it. What was I to say? In fact, you just have to make an excuse and leave, as I did in the end. Shame. I really liked her. She could have been the one!

When was the last time you trumped and pretended it was someone else?

Buckingham Palace. Next question!

What would freak you out more: a tap-dancing goat or a talking fish?

A fish because, you know, I've seen goats dance. When you've had enough cider, everyone sees goats dance! But imagine if you were snorkelling and all the fish turned to you and whispered, "Human slaves!" That would really freak me out.

Would you rather walk backwards for the rest of your life or have your own head on a moose's body?

I'd like to have my head on the body of a moose. That would be brilliant. On the body of an actual quadruped, not a chocolate mousse. Walking backwards? You could do that anyway.

Which would be worse: getting a paper cut on your penis or having your tongue stapled to a table?

Paper cuts are the worst. I've actually had a paper cut on my penis when I was reading a book while naked and I turned the page too fast. There was a survey about things that really annoy people, and paper cuts were second only to James Blunt! Imagine being told you're more annoying than a paper cut!

If you were on a beach and saw a shark running across the water at you on its fins, what would you do?

Clearly the shark has evolved to the point that it could run on water, but I wouldn't do anything. The big weakness of sharks is that they don't

have flotation lungs. Fish can stay still and breathe but sharks can't, so they have to keep moving and it's a big source of embarrassment for them. If you pick on that, it'll break their spirit and they'll crumble!

What's more disgusting: bestiality or Marmite?

Well, I'm a fan of Marmite and a cat-lover as well, so there's no contrast to that, really! Although I'm not sure you can compare the long-lasting pleasure of Marmite with the instant gratification of a cat.

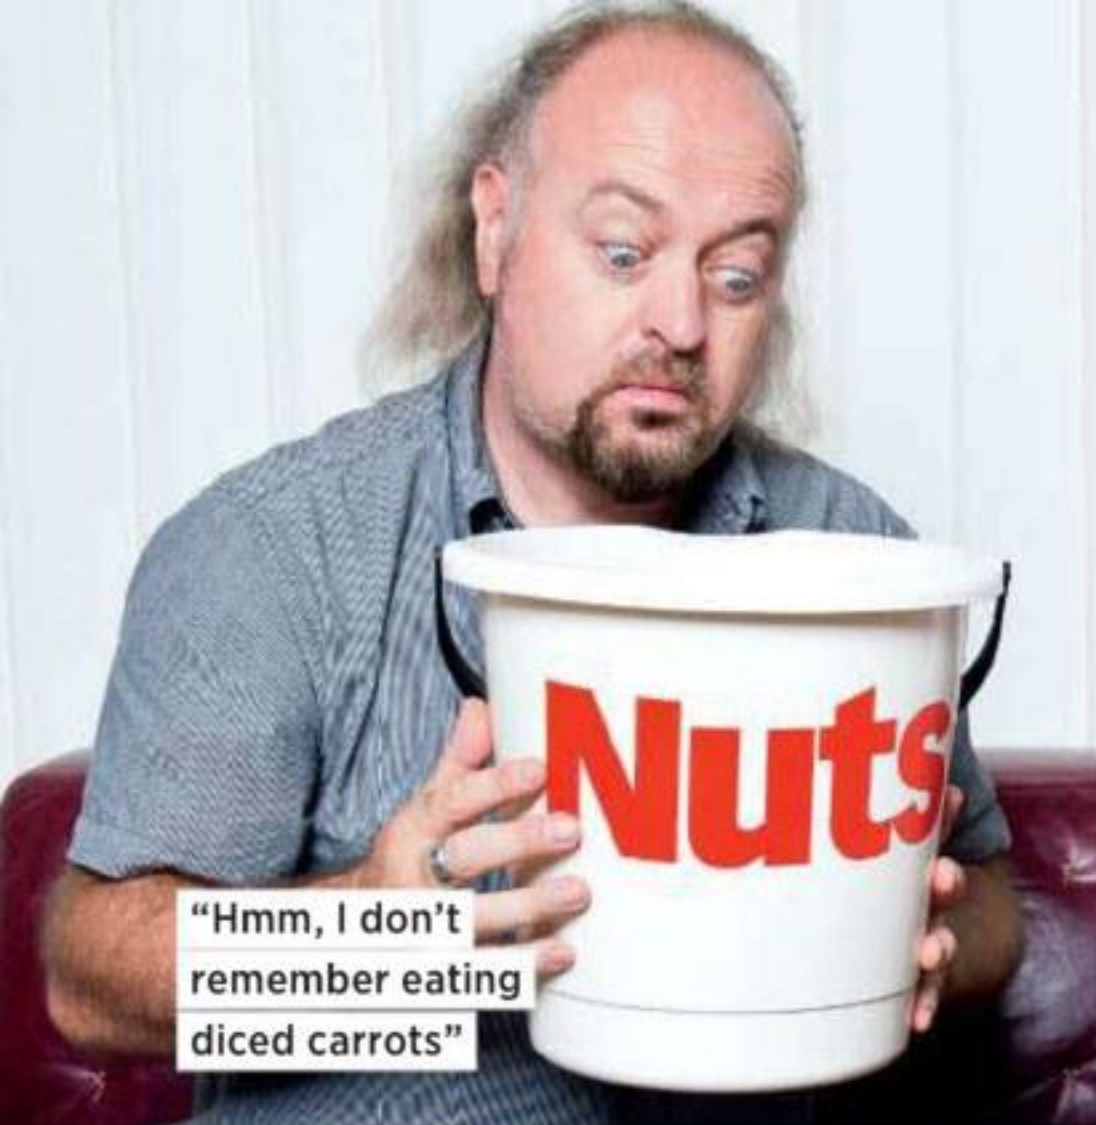

Have you ever looked at another man's willy while standing at a urinal?

Well, it's hard to avoid it, but not deliberately! At the BBC once, I went in to use the facilities and a bloke came in and just stood at the urinal. He had his arms by his waist and he was urinating elaborately. He came in with his nuts pre-revealed? It really put me off!

The gang who dumped 35 bodies on a motorway

Meet Mexico's Knights Templar, the new cartel of vicious drug dealers who dump truckloads of corpses in evening rush-hour traffic...

It was the evening rush hour in the Mexican town of Boca del Rio on 20 September, when two trucks stopped, blocking off the three-lane thoroughfare.

Drivers started to lean on their horns – until gunmen emerged from the trucks and levelled their weapons at the motorists. Then their accomplices revealed their cargo – 35 bodies, which were dumped on the road in full view of motorists, pedestrians and road security cameras.

This is the macabre handiwork of Los Caballeros Templarios – the Knights Templar – a new Mexican drug cartel who are making their predecessors look like models of kindness and restraint.

PUBLIC HANGINGS

The Mexican drug trade is a mad world, one of severed heads left as calling cards, assassinations of public figures, chilling graffiti messages and brutality. But the Knights Templar are something else – a scripture-quoting guerrilla army claiming to be the protectors of Michoacán State, a trafficking route for crystal meth into the USA, while they execute their own strict laws and make grand displays of the people they kill.

The 35 men and women who ended up slaughtered and dumped on the Boca del Rio underpass were all criminals –

a clear expression of one of the Knights Templars' ideals. That's because, although they murder at will and traffic drugs, they instruct their foot soldiers that certain crimes – kidnapping, rape, extortion, theft – are punishable by death. Criminals end up hanged from bridges, with notes explaining that they crossed the Knights.

Anyone wanting to join the Knights is told that they mustn't get high on their own supply, and they even take in drug users to rehabilitate them and give them work. Cartel members are expected to be gentlemanly, respectful of women and children and adhere to the strict code of silence. You don't talk about the Knights Templar because if you do, you and your family die.

CARNAGE

Whenever a cartel figurehead is killed, carnage follows. Cartel lieutenants who were previously working alongside each

other became bitter rivals, fighting to become the new head.

When the founder of the quasi-religious La Familia cartel, Nazario Moreno González, was gunned down by the military last December, the in-fighting was so vicious that the cartel collapsed, and from it emerged the Knights Templar, headed by Servando Gómez Martínez, a former teacher who now has a \$2m bounty on his head.

WARRIORS OF CHRIST

The Knights Templar are all about grand gestures. They produced a pamphlet outlining their rules and distributed it to the public, explaining to the residents of Michoacán that the cartel is there to defend them. They've also produced videos for news agencies, showcasing their message – and firepower.

When they first announced themselves to Mexico last year, they draped 40 banners all over the state announcing a commitment to "safeguard order, avoid robberies [and] extortion and to shield the state from rival organisations." A week later, a suspected kidnapper was hanged from an overpass with a note of warning attached, the first official victim of the new cartel.

They even apparently have a uniform – tunics bearing a red cross, like those of the original Knights Templar, medieval Christian soldiers who defended Jerusalem against the Muslim Saracens in the 12th-14th centuries.

MASS MURDERS

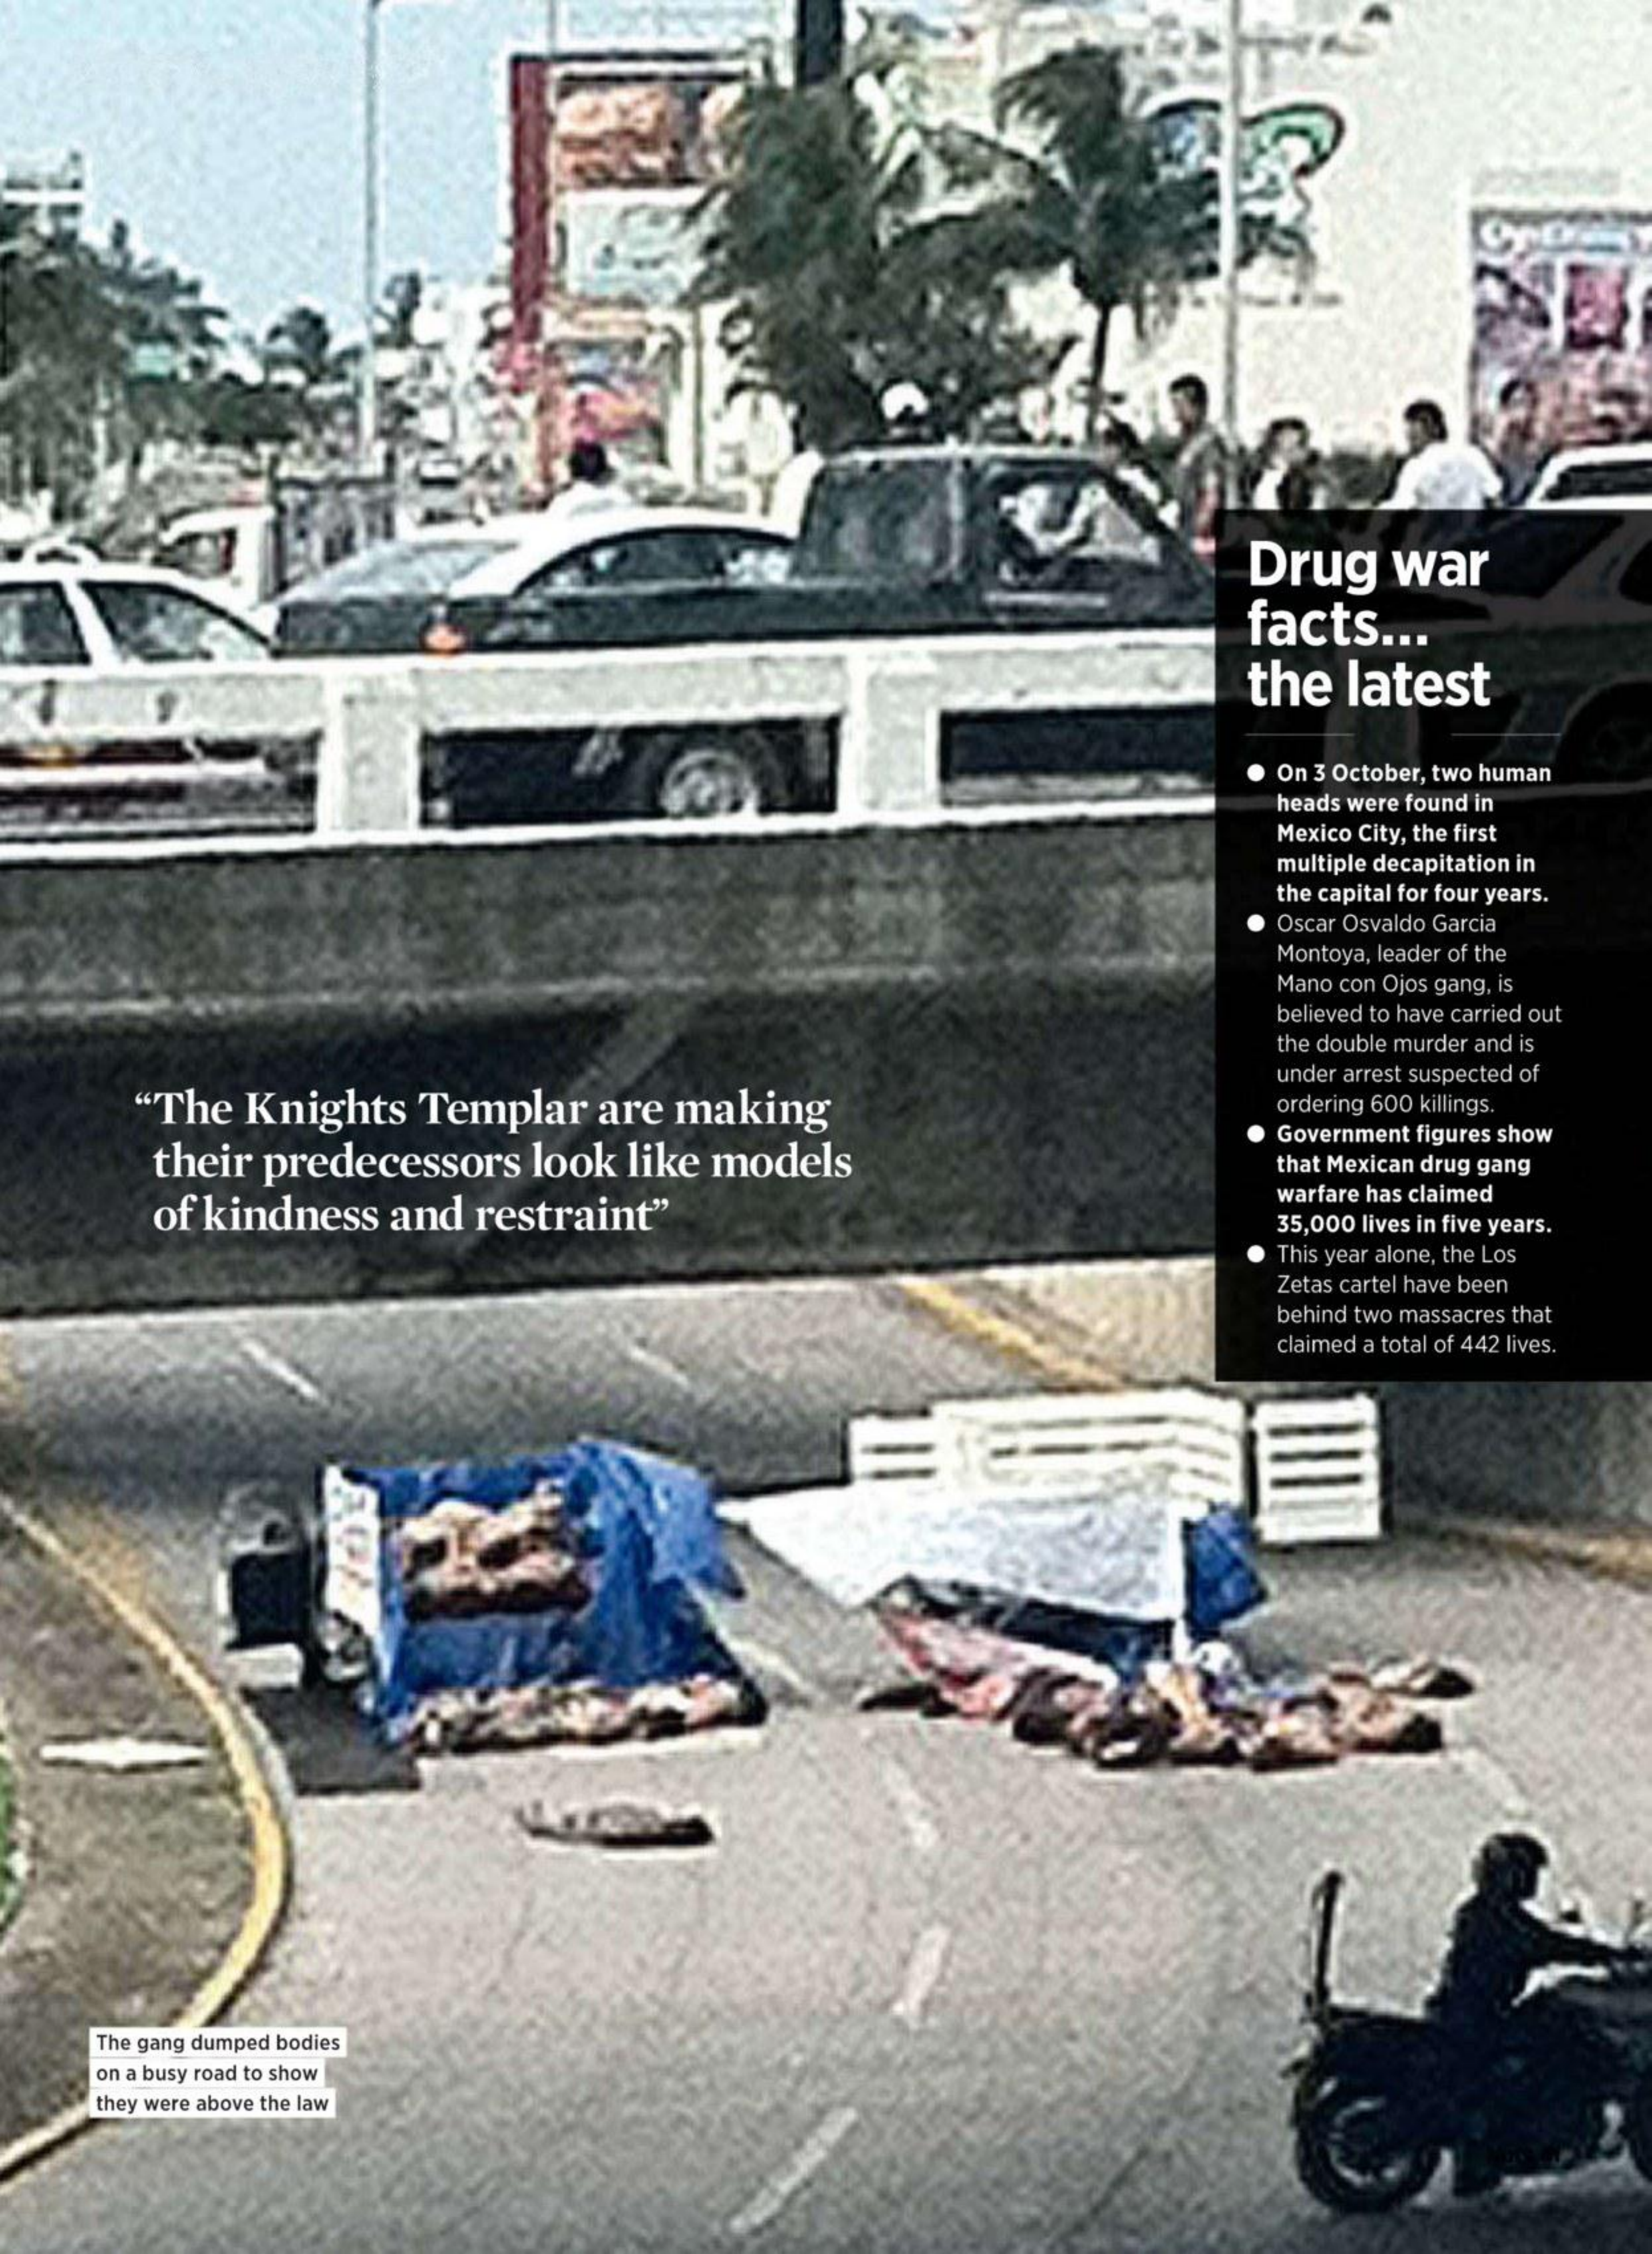

After the first execution, the Knights went to work on what remained of La Familia. On 9 June, the city of Morelia woke to find 21 La Familia corpses on public display. On 18 June, they left 14 more corpses around the region.

These demonstrations serve much the same purpose as the pamphlets, film clips and banners – they let the world know that the Knights Templar are running things, and can act with impunity, a line of thinking that culminated in the stunt of dumping two trucks full of corpses on a busy street.

"This is a way of making yourself known," explains Mexican security expert José Reveles, "and saying, 'We drive two trucks loaded with cadavers, and nobody stops us.'"

And yet, for all the displays, the cartel members strive to remain anonymous, meaning anyone in Michoacán State could be one of the Knights Templar – and that's one of the things that makes them so terrifying.

Drug war facts... the latest

- On 3 October, two human heads were found in Mexico City, the first multiple decapitation in the capital for four years.
- Oscar Osvaldo Garcia Montoya, leader of the Mano con Ojos gang, is believed to have carried out the double murder and is under arrest suspected of ordering 600 killings.
- Government figures show that Mexican drug gang warfare has claimed 35,000 lives in five years.
- This year alone, the Los Zetas cartel have been behind two massacres that claimed a total of 442 lives.

GB'S BEST BOOBS!

Lacey

India

Nuts proudly presents...

Britain's best boobs!

Bow down to Blighty's boobiest babes!

Rosie

Holly

Britain gave the world television, football and the delicious curry sauce that goes on chips and tastes nothing like curry. But by far the most magnificent and globally celebrated export is the Great British boob.

OK, maybe we didn't invent them, but we sure know how to celebrate them! Whether they're swinging about on screen or popping out in public, our boobs are the envy of the planet. And who better to show them off than four of the fittest girls known to man! Gentlemen, we give you Great Britain's greatest boobs! ►

Holly Peers

Hi Holly! What makes British babes so damn sexy?

It's 'cos we're so damn curvy! Have you noticed that every time a hot new British model comes on the scene, she has an amazing, curvy figure! We're known for big, buxom boobs!

Is that what makes us stand out from other countries?

I do think Americans like Kim Kardashian are really fit, but British lasses have the biggest and nicest natural boobs. There's something very real about us. Girls like Holly Willoughby are as close to perfect as you're going to get.

What's the best thing about British blokes?

They're cool, laid back and they have a good sense of humour! They're all very down-to-earth – more so than lads from other countries, so you're guaranteed a good time.

Where's the wildest place to have a night out in Britain?

Newcastle. Just from watching *Geordie Shore*, though! I don't think I want to go there as I'd be scared. Manchester's a good night out. I like the people.

In what part of Britain have you got up to your naughtiest deed?

Whenever I come to London I always end up whipping my top off or getting naked in some way, so the capital makes me do rude things!

What's your favourite great British meal?

I love a really good full English breakfast. Have you noticed that when you go on holiday, they try to copy it but it's always rubbish! No one does bangers like the Brits.

Finally, do you ever wear patriotic pants?

I don't have any, but I might have to steal some from the shoot today. I think my boobs alone are enough to make Britain proud, though! ►

“British babes are sexy 'cos we're so damn curvy!”

**“In Britain,
we all have
real boobs
and bums!”**

Rosie Jones

Hi Rosie! So tell us what's great about being British!

Fish and chips, *Nuts* and roast dinners! Why am I turning this into a food-based interview? Ha! No, it's good because we have curries, Chinese and American food, but then we've still got the best British food.

Which British institution could you not live without?

I don't think I could go without the pub – that'd make me sad! Where would we escape from our rubbish weather! I like a good cider in a decent pub. You don't get that in America!

Are British boobies better than their Yank counterparts?

Yes, they are! In America – no offence to Americans – they're all fake, aren't they? And in Britain, we've all got real boobs and bums. If I had to choose, I'd say Kelly Brook's got pretty good British boobs!

Who's your favourite Brit babe?

I'm looking at Holly's boobs right now and they're making me think she's the best Brit!

What about the *Geordie Shore* and *The Only Way Is Essex* girls – do they make you proud?

I'm not sure about that. The *Geordie* girls just want to go out and shag everyone! They're quite funny but you can't really be proud of them being British.

What's the most patriotic thing you've ever done?

I've done a shoot naked apart from a Union Jack flag. That's patriotic. I'd probably streak after a few drinks. Actually, I have streaked at a football match once with Emma Frain, Emma Glover and India. That was pretty patriotic!

Finally, what's the best thing about British blokes?

I like the way British blokes dress compared to any other countries. Like America and stuff, they think they're cool but they're not as cool as us! ►

Lacey Banghard

Hello Lacey! What makes you proud to be British, other than all these amazing boobies?

Probably a fry-up and a good cup of tea. Ha! I can't say the weather! Sexy British girls, maybe? I think British girls are a lot sexier. In America, they're all really muscular and we're really curvy and girly.

What do you reckon to girls from other countries?

They're butch and hard-faced! We're really nice and smiley. When I went to Egypt, they said every British person they meet is so polite and bubbly.

What's the sexiest thing about girls from the UK?

We rock the girl-next-door vibe better than everyone else, and we're very down-to-earth. We have a lot of English roses walking around, don't we? They're usually really bubbly, curvy, really soft and feminine!

Who's your favourite British person of all time?

That bald guy from *The Bank Job* – Jason Statham? He's so cool. I'd love to be in a film with him one day. I'd be his sexy accomplice who distracts the baddies with my boobies. Russell Brand's a pretty cool guy, too. I'm proud of him!

What's the most patriotic thing you've ever done?

This shoot! Getting your boobs out in this way is pretty cool. It doesn't get much better than that. I really want to do a shoot wearing nothing but the Union Jack – I think it'd be wicked representing my country. I'd love to streak at an England game, too.

Finally, where's your favourite British holiday destination?

I really want to go to Glasgow, 'cos I've heard it's a good night out. But, the thing is, I can't understand Scottish people, so I'd be a bit rubbish there! ►

India Reynolds

Hi India! Are you enjoying this, the most patriotic of shoots?

It's awesome! I like the sexy British outfits and the cool cars and stuff. Makes me proud to be British! Although it's a shame the weather's fittingly awful outside.

Do people love the Brits?

Everyone says they hate us because we don't learn any other languages and we're rude on holiday, but I reckon that's rubbish! We're a friendly bunch, really.

Do you think Britain boasts the sexiest girls in the world?

Definitely – way sexier than American ones, who are a bit full-on and scary. If I were to construct a fantasy fit girl, she'd have British boobs and a Brazilian bottom. That'd be the perfect combo of sexiness!

What winds you up about our great nation?

Public transport, but I'm not gonna go off on a rant! The worst thing is the weather, though. If it was hot all the time, I don't think anything would be half as bad as it can be. In America, everyone's way more friendly but they can be a bit freaky and OTT.

If you could give anyone a knighthood, who would it be?

I'd give one to Holly Peers for having such amazing boobs. That'd make her Dame Holly Peers for services to... boobs!

Who's the sexiest Briton alive?

Cheryl Cole. I can't believe she got rejected by the Americans, the poor thing! I just love her and Geordies in general.

And what's the most patriotic thing you've ever done?

When we did a football shoot last year, me and Leah Francis streaked across the Millwall football pitch. That was pretty naughty! **X**

Marseille vs Arsenal

ITV1 • 7.30pm

The shocking early form of the Gunners has been the most surprising aspect of the season so far, and they really need the Champions League to help get things kick-started. The problem? Marseille are top of the group. This won't be easy at all.

The Sopranos

SKY ATLANTIC/HD • 9pm

When people talk about how amazing *The Sopranos* was, this is the episode fans reference. It's the classic "snow" one, directed by Steve Buscemi. It starts with Paulie and Christopher making a collection from a Russian that ends with an accidental hit, so Paulie suggests burying the body in the snow-covered woods...

Death Race

SUSA • 10pm

From the director of the *Resident Evil* flicks comes this actioner. Set in the future, prisons are money-making businesses and the newly banged-up Jason Statham's forced to participate in a race to the death in an armoured car, watched by the public via pay-per-view. Quality action, as you'd expect from a Statham film.

GOSSIP GIRL

ITV2/HD • 8PM

Even the title of this female-only drama screams oestrogen. However, if you must sit next to a lady as she soaks up the dross, you might catch Elizabeth Hurley in her undies and Blake Lively flashing cleavage.

India vs England

SKY SPORTS 1/HD • 9.30am

After the torrid time England gave India in the summer, MS Dhoni and co must have been relishing this one-day series about as much as we would if faced with a weekend-long *Glee* marathon. This marks the midpoint of the five-match series, and we've no reason to think England won't be in another dominant position by now.

The American

SKY MOVIES PREM/HD • 9.45pm

George Clooney plays a hitman on the run in a nerve-jangling, moody thriller set in a small Italian town. It's a game of cat-and-mouse with the mercenaries sent to take him out, but our man still finds time to fondle the funbags of the voluptuous Violante Placido. Add a killer twist and you've got a properly intense man movie!

SKY1/HD • 10pm

Another week, another complex case for the angry doctor and his motley crew of medics. Wentworth Miller off *Prison Break* guest stars this week as Benjamin, a man who's just made a mahoosive donation to the hospital, but who promptly hits the deck, with no apparent reason why. Handy he was in the hospital then, eh?

EVERYTHING MUST GO
14 October • 15
Nuts' favourite funnyman Will Ferrell does what every bloke who's just been fired, dumped and locked

out of his house would do – he gets the beers in, crashes out in his front garden on a La-Z-Boy and holds a yard sale. Quirky comedy with a top performance from Ferrell – buy tickets for this gun show and you won't be disappointed! ★★★★★

THE THREE MUSKETEERS
12 October • 12A
A 3D revamp of the adventure from the makers of *Resident Evil*. With Milla Jovovich and, oddly, James Corden. ★★★

Hugh Jackman trains humanoid boxers in a future-set "Rocky with robots" tale of a former fighter-turned-promoter. ★★★

SENNA

If you're not a fan of Formula One, this may be the documentary that converts you. Telling the story of Brazilian racing legend Ayrton

Senna, this account follows his life and career right up to the high-speed crash that killed him during the 1994 San Marino Grand Prix. Expect some awesome races, mind-bending manoeuvres at high-speed and intriguing rivalry. ★★★★★

STAKE LAND
DVD & Blu-ray • 15
Low-budget horror about a killer and a teenage lad making their way across an America ravaged by a vampire epidemic! ★★★★★

Xbox's masterly and stylish racing sim chalks up another exemplary experience. New is Kinect compatibility – it tracks

Nuts gambling masterclass!

A host of top tips to help you play Deal or No Deal!

➔ **YOU MAY** think Deal or No Deal is a game for those who believe in "systems". Well, the TV show might be, but the multi-line slot isn't!

You can win big from the comfort of your own home for as little as 5p, and if you play on all lines, you could win a progressive jackpot. One recent Nuts Games winner bagged himself £229,776!

How to play

- The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the progressive jackpot.
- You can select up to 20p on each of the 20 pay lines. That gives you up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win some extra cash.

GET UP TO £200 FREE PLAY!*

The number lines

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

Bonus game

If you bet on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins – this plays like the TV show, with the big progressive jackpot at stake. Don't be too greedy or, like us, you could end up with £8 instead of £100!

Plus win up to £10k!

Play three games for the price of one with Deal or No Deal Scratchcard. Play from the comfort of your home for £1 for your chance to win!

Sign up and deposit to get up to £200 free play!*

'I sat on his erection!'

I WAS staying late at work one night, finishing off my jobs, when I received an email from a colleague and ex-fling who was also working late, saying, "Why don't we do it together?" At first, I thought he was suggesting we do the work together so I picked up my things and went over to his office, but then I realised that's not what he had in mind at all! I found him sat in his office behind his desk with his jeans round his ankles stroking his hard-on. Instinctively, I took him in my mouth until I was so turned on I had to sit on his erection and start bouncing. Then he unbuttoned my shirt and sucked my hard nipples until we both came. Staying late after work doesn't have to be a chore after all!

CONFESSION OF THE WEEK!

'A policeman picked me up!'

I WAS travelling alone in South America when one day, while hitchhiking in Brazil, a policeman stopped to give me a lift. He was several years older than me but still had a very fit, manly physique. There was a lot of sexual tension in the car and after a while, he asked if I had a boyfriend. When I said I didn't, I felt his hand touch my leg. He then pulled the car off the road and down a dirt track. I gave the guy head against the bonnet and he came in my mouth. He even gave me a lift to the next town afterwards, which was miles away!

Kelly via email

'He pinched my nipples!'

THERE WAS a really fit soldier in a club I was in recently, who was making eyes at me all night. After I returned from the ladies' room, I thought I'd lost

him but then I felt something hard pressing up against me from behind, and it was him! "Congratulations, you've given me a hard-on," he said. With that, I grabbed his hand and we walked quickly back to mine where he got me on my hands and knees on the floor and pulled my skirt up. He

pulled my panties to one side and took me hard in front of the mirror, which turned me on even more, as I could see him pumping me from behind while he pinched my nipples. I came hard but he didn't stop there. He flipped me over and used his tongue and fingers on me as I played with his erection. We didn't get much rest that night!

Anon via email

'I cuffed him to the bed!'

MY BOYFRIEND had been away for a week on business and I was starting to go crazy after seven days without sex. I thought I'd treat him to a saucy night in, so as soon as he stepped in the house I led him to the bedroom and handcuffed him to the bed. When I'd stripped off, I let him watch me slide my fingers over my wet clit and wipe them all over my erect nipples. When I knew he couldn't take any more, I pulled down his trousers and started stroking his erection. He was moaning by the time I guided him inside me and I started bouncing up and down on top of him. I was screaming with pleasure while my boyfriend tried to pull himself free from the handcuffs. As soon as I'd climaxed I finished him off in my mouth, before I collapsed next to him on the bed!

10 RUDE QUESTIONS!

And a real girl to answer them!

Sophia

22 Liverpool

1 Where's the strangest place you've had sex?

"It was in a swimming pool in Rome. There were loads of people around and I think the lifeguard was watching, too. I bet that distracted him!"

2 What's your trademark naughty move in the bedroom?

"First of all, I love to get dressed up in something really kinky, then my trademark move is to get on top so I know exactly what I'm doing!"

3 What really turns you on in bed?

"I like a bloke who can charm me, but sexy aftershave drives me absolutely wild as well."

4 What's your favourite position?

"It definitely has to be me on top. It's exciting being in control, and that way I can see everything that's going on as well."

5 Is it better to give or to receive?

"Well, I prefer to receive, although it's fun to give and receive at the same time, if you're in a really naughty mood!"

6 What one rude thing would you really like to try but haven't yet?

"I'd love to try a threesome one day. I think it's every girl's fantasy to give that a go, deep down."

7 Have you ever got it on with another girl?

"Of course I have! I've only ever tried kissing though. It's never been any further than that!"

8 What's your naughty role-playing costume of choice?

"I like to dress up as a sexy police officer. That way I get to experiment with some handcuffs too, which is really kinky. Ha!"

9 Have you ever made a sex tape?

"You'll never know! Maybe I should just leave that one to your imagination because some things really have to be kept secret."

10 What's the single rudest thing you've ever done?

"Me and a boyfriend went on a nudist beach once and got naked with everyone. That was definitely rude, and it put us in a really sexy mood for later!"

"I love to get dressed up in something really kinky!"

Liverpool vs Man Utd special!

Paul Merson on Saturday's massive showdown!

➔ **THE TWO** most successful clubs in British football history, with 37 league titles between them, go head-to-head this Saturday lunchtime, in what'll be the biggest game of the season so far. We've enlisted the help of England legend Paul Merson to give us his verdict on the sure-to-be tasty Anfield clash!

● Liverpool vs Man Utd is on Saturday at 12.45pm, on Sky Sports 2

HUGE RIVALS!

"I told you, Chris. I'm not ticklish!"

Merse on the teams!

LIVERPOOL "I expect Kenny Dalglish to go 4-4-2 and give protection to his full-backs from the threat of United's wingers. Anfield will be rocking and Liverpool will go for the throat from the kick-off, although that could play into United's hands on the counter-attack."

MAN UNITED "Although United have played 4-4-2 a lot recently, Sir Alex might be tempted to switch to a 4-5-1. United are so open at times - if teams like Norwich can create numerous chances against them at Old Trafford, then Liverpool could have a field day!"

ENGLAND LEGEND!

From 1991-98, Merse earned 21 England caps, scoring three goals, and was in the '98 World Cup squad.

Suddenly, he realised

Nuts SPORT

Merse on the defenders!

LIVERPOOL "You want your most experienced players fit, and **Jamie Carragher** fits the bill. He's not the quickest, but you don't need to be lightning if you know the game. I've also been impressed with Luis Enrique, but he'll need help to deal with Ashley Young." **7/10**

MAN UNITED "United's attack has masked the problems in their defence so far. **Rio Ferdinand** will come in and provide big-game experience and Fergie will hope Nemanja Vidic is also fit. This will be the biggest test United's back four has faced all season." **7/10**

He'd caught his hand
in the door again

He'd just spotted what
Rio was looking at!

KEY CLASHES!

Merse on the midfield!

LIVERPOOL "If fit, **Steven Gerrard** is the first name on the sheet and I expect him to play. Charlie Adam may be the unlucky player to step aside. Stewart Downing and Dirk Kuyt will play and help deal with Nani and Young, but will also provide a threat going forward." **8/10**

MAN UNITED "If I was Sir Alex, I'd be tempted to play **Phil Jones** at the base of a five-man midfield, giving much needed protection to his back four. There's so much pace on the United flanks, they can break and cause Liverpool all sorts of problems." **9/10**

"Hey, Wazza.
Catch!"

"Watch it, Andy. I've
just done my hair!"

Merse on the strikers!

LIVERPOOL "**Andy Carroll** and Luis Suarez are becoming a formidable partnership. Suarez is a proper player, with the intelligence of Bergkamp, Sheringham or Cantona. He'd make it into the current Barcelona side." **10/10**

MAN UNITED "**Wayne Rooney** will start up top on his own. Nani and Young will provide support from the wing. United's entire philosophy will be based around speed and hitting Liverpool on the counter-attack." **10/10**

MERSE'S PREDICTION: Liverpool 3-2 Man United "United have the superior players, but Liverpool will have the edge, especially playing at Anfield. I know one thing for sure - there will be goals!"

Just fine for Ferdinand!

I SEE Rio Ferdinand didn't make the latest England squad but I don't think the former captain has anything to worry about. He hasn't played a lot recently but he's still a class act when it comes to defending.

People are raving about the new generation of centre-backs coming through, such as Phil Jones and Chris Smalling, but these guys lack the maturity and experience that Rio has.

You can bet that when the big matches come around, Fergie and Fabio Capello will go for Ferdinand every time.

I'm sure Capello will call on the United man again, especially with Euro 2012 around the corner. Players with Rio's experience are vital at major tournaments.

Offensive chanting is simply not on!

There's no place in football for abusive fans!

➔ **I'VE BEEN** disgusted with the abusive chanting that's hit the headlines recently. Some of the songs that were sung during the North London derby and the Carling Cup match between Leeds and Man United were despicable and have no place in football.

There's nothing wrong with a bit of light-hearted

banter – Liverpool's Kop is famed for it, everyone has a laugh and it's great entertainment – but for some modern-day fans, it seems to be used as an excuse to be as nasty as possible and it's just not on!

Ultimately, it's up to the clubs to help sort out the problem. They should come down hard on the perpetrators and set an

example to all fans that this sort of behaviour isn't acceptable in the modern game. Warn supporters that they face heavy fines or being thrown out of matches if they act in an abusive fashion and you'll soon see a change in attitude.

Let's sort out these idiots and get back to enjoying the amazing entertainment out there on the pitch!

UNBELIEVABLY GOOD!

SUPER MARIO!
Mario Balotelli's been in top form for Man City. He could have used the Carlos Tevez saga as an excuse to act up, but he's been a model pro and scored some cracking goals!

UNBELIEVABLY BAD!

CHIN UP, TOM!
I was shocked to see Tom Bender taken to hospital after an awful collision during Accrington's match with Tranmere. I wish him a speedy and full recovery!

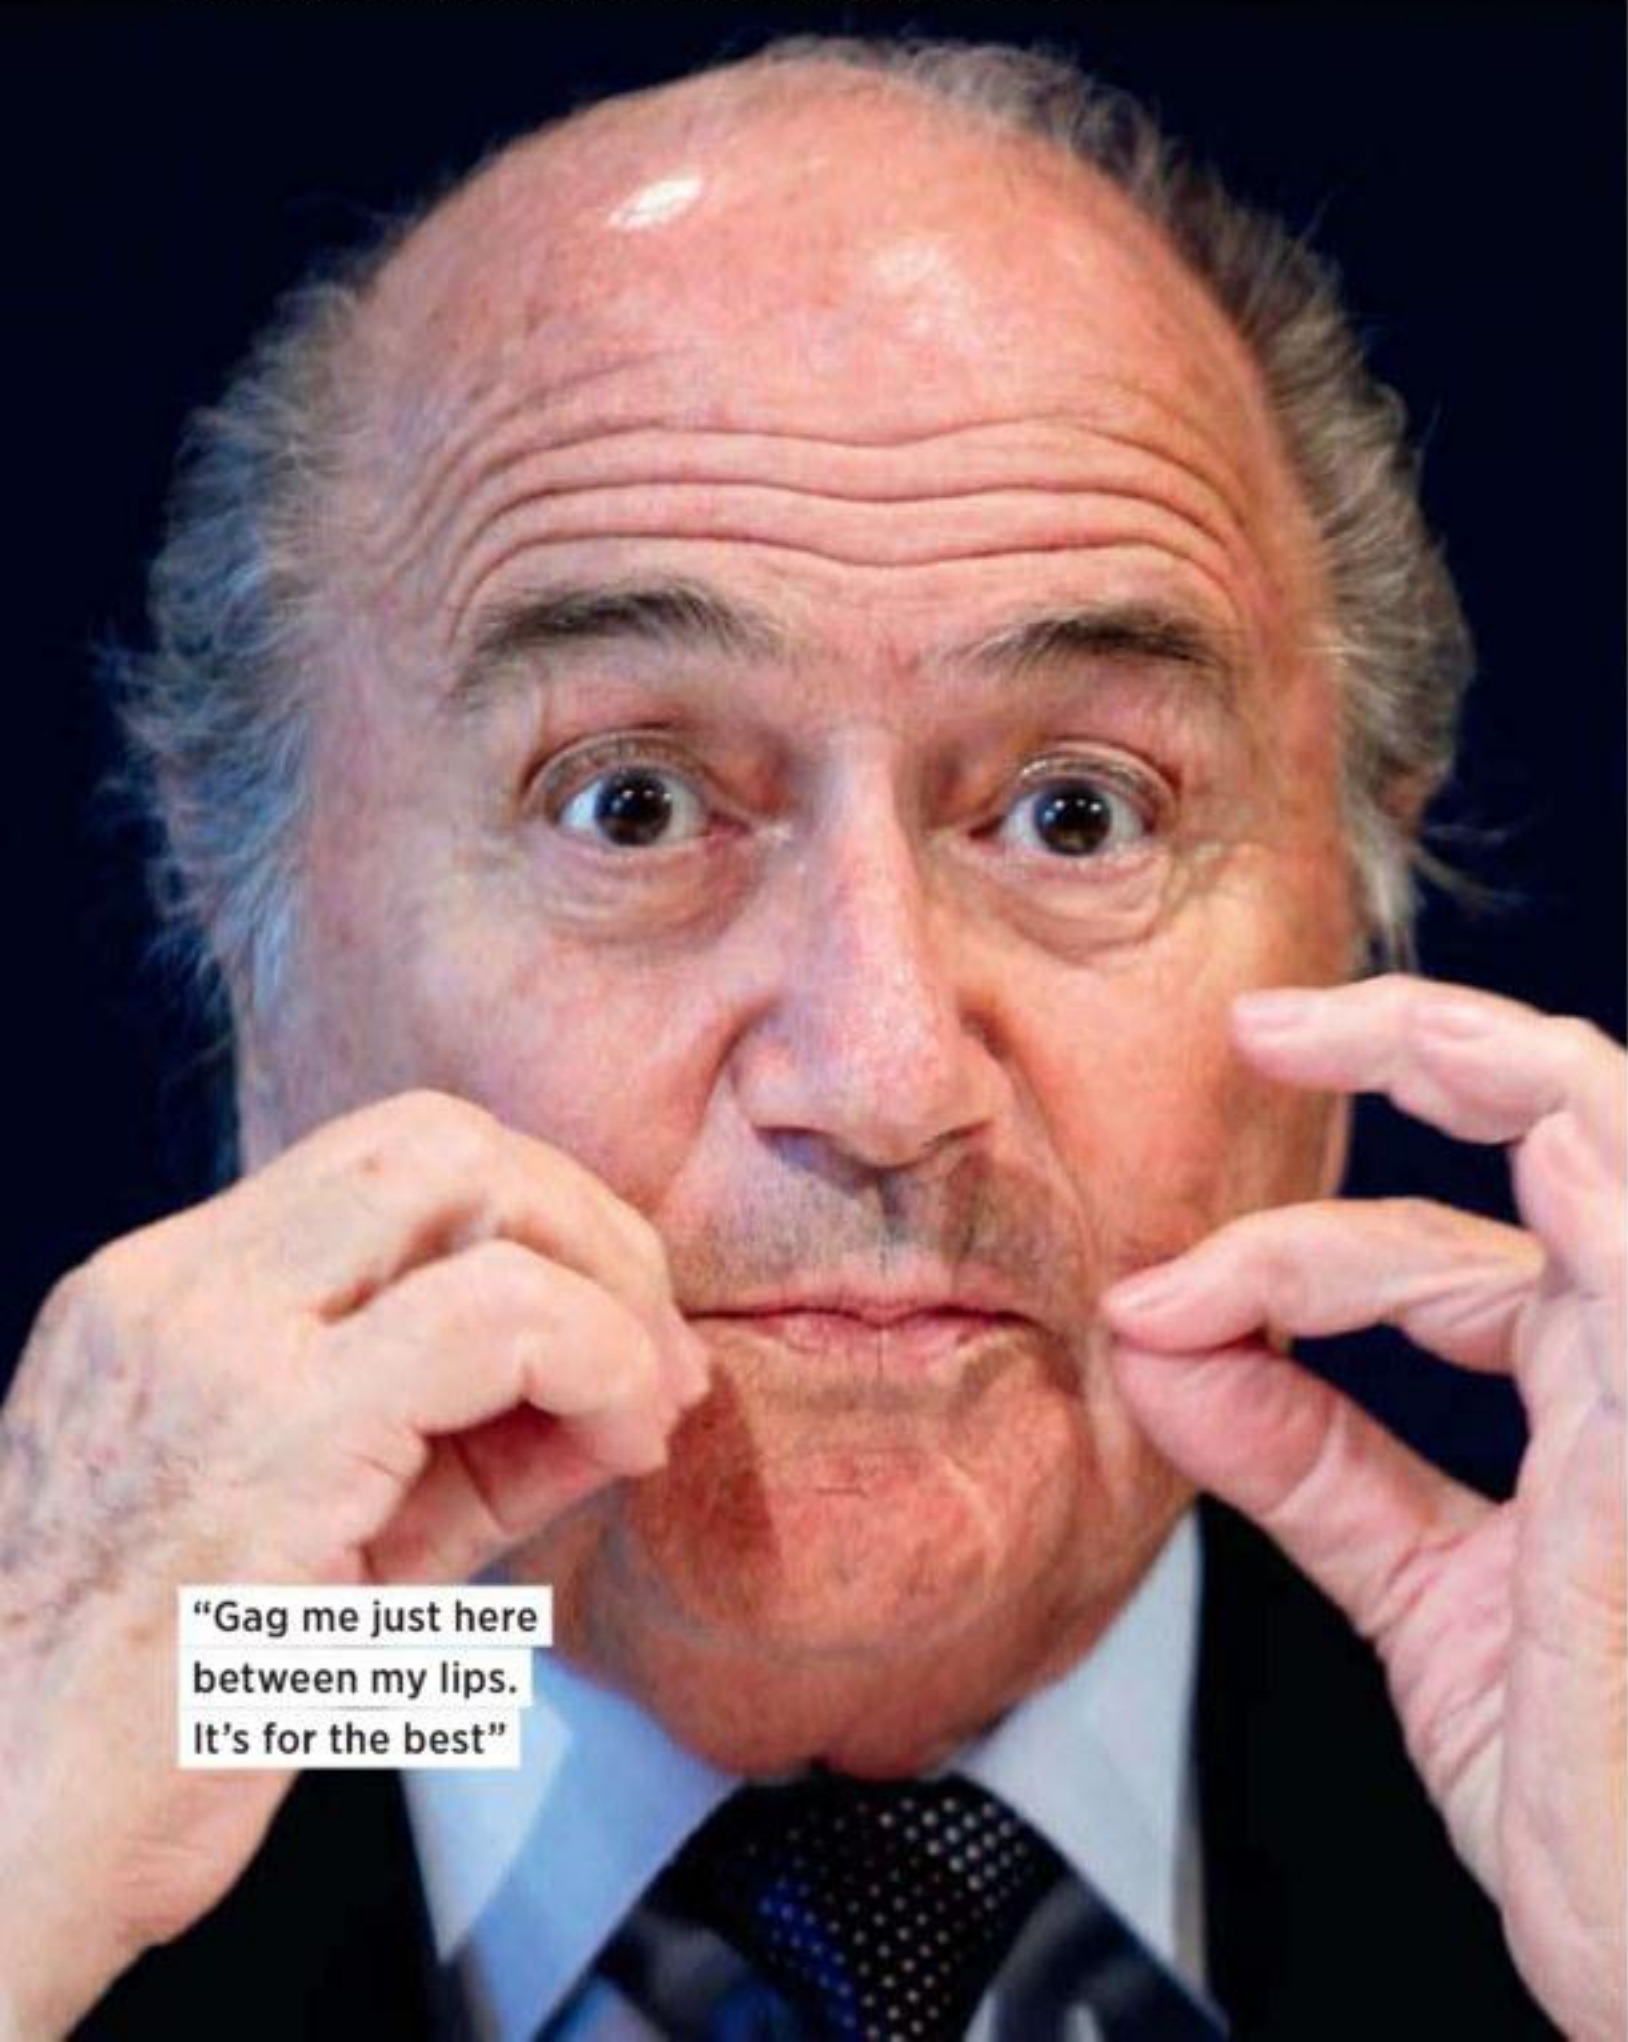

THE BIG MATCH!

"Forget the football – let's dance!"

Technology delayed again!

I CANNOT believe we'll have to wait until 2013 for goal-line technology! The mistakes keep happening – just look at Kevin Davies' disallowed goal against Chelsea. The Rugby World Cup has highlighted just how out of touch we are in football. In that, they have video referees and mistakes are rectified in a matter of seconds. Sort it out, Blatter!

"Gag me just here between my lips. It's for the best"

Newcastle vs Spurs

16 OCT, 4PM • SKY SPORTS 1

Alan Pardew's Newcastle have had a fantastic start to the season. Many expected them to struggle after they lost some high-profile players, but it doesn't seem to have done them any harm. Spurs have turned the corner after a difficult start. This has the makings of a real cracker!

KAMMY'S PREDICTION: 1-1

Key man

Cheik Tiote has been in brilliant form for the Toon. He drives the team and is already becoming a fans' favourite. He's been an inspired signing!

Motty's a real legend!

JOHN MOTSON's been commentating for 40 years! It's unbelievable! He's one of the greatest broadcasters football has ever seen. If I can continue on the *Goals On Sunday* sofa for that long, it'll be a miracle!

He was about to launch into *Sweet Child O' Mine* again

Swann: 'Our lads can hit the ball into outer space!'

England's spin king on India and being a grumpy old man!

➔ **Hi Swanny! Are you glad to be giving the captaincy reins back to Alastair Cook after your brief stint as T20 skipper?** Absolutely delighted, mate. He's the main man so I'm happy to be back in the ranks. The lads would've been sick of my ugly mug giving out orders again anyway. I can go back to taking the mickey.

But being awarded the captaincy in the summer must've been a shock? Who'd have thought it? A clown like me! Actually, hang on, I always liked to

think I thought like a captain – it was just that the real captain would ignore all my ideas. Actually, probably fair enough!

So what can we expect on the forthcoming tour of India? Hopefully more of the same as we saw in the summer. Good cricket, plenty of wins and good young talent showing what they can do. Playing one-day internationals in India will be a completely different proposition than playing in England, so it'll be tough. But that's good – we need to show that we're improving all the time as a one-day side.

What's the best thing about being on tour? You're travelling around with your best mates, experiencing things you never thought you

would and playing a sport you love. And then the fools pay you for it! Brilliant!

England have become the best Test side, how far are you from being the same in the shorter form of the game?

There's a way to go but I just look at our squad – and the players who aren't even in it – and think, yeah, we've got something here. The established lads know that there are these young boys who can hit a cricket ball into outer space waiting to take their places. That's got to be good for English cricket.

With all these youngsters knocking on the door, do you feel like a bit of an old man these days?

God, yes! The lads coming through play a different brand of cricket to what was the norm even a couple of years ago. Cricket's changing so quickly, I have to be on my toes to even try to keep up as a grandad of the team.

With this elder statesman tag, can we expect to see a much more serious Graeme Swann? Contrary to what people might think, I do take my cricket deadly seriously. Look at how arsey I get when someone misfields off my bowling! But cricket's a sport to be enjoyed, that's how I've always approached it.

How does it feel to be the best spinner in the world?

That's just down to Murali retiring! No, it's great to do well. I honestly appreciate

every single minute of my international career. I'm a very lucky boy.

But you've come a long way from being that bloke who made such a bad impression on his debut tour of South Africa in 1999.

I would've sacked myself, looking back. I was an idiot! I'm still a bit of an idiot but I think I know a lot more about what I'm doing. It took me a while but I suppose you could say I've matured. A bit! And it's a totally different set-up now to what I came into all those years ago. We're a much more together group, not just a bunch of cricketers thrown together and wearing an England shirt.

Finally, do you believe this current crop of players can come away from India with their reputations enhanced even further?

Why not? As I said, India in their own backyard is the ultimate challenge but we're up for it. We're well prepared and ready but also really looking forward to it. We want to keep the momentum built up during the summer and take it into the winter. We've done brilliantly in Test cricket, now we've got to build towards something similar in the one dayers. It's gonna be great!
